ACTIVITIES

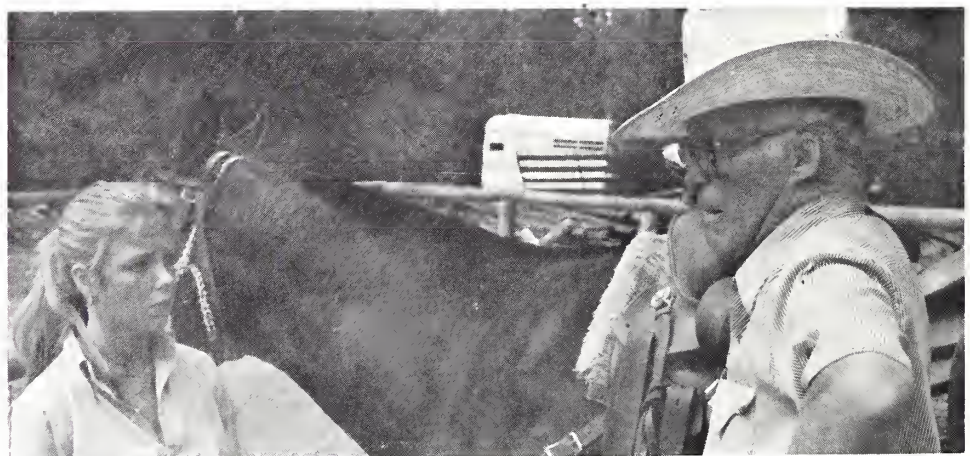

FRESHMEN ORIENTATION, STARTS

New Student Orientation is a special time at Regis; a time when a new group of students get to learn about each other and the new environment before the pressures of daily classes begin. This year's New Student Orientation had been expanded to include an entire week of activities, headed by Kevin Kucera. There were numerous activities, including movies, dances, a concert, and the mountain program. All in all, it seemed that everyone enjoyed themselves and orientation was a success.

FROLIC; FUN

Regis' first dance of the year was Freshman Frolick. As usual, it offered an excellent opportunity for all newcoming students to get the feel of their new environment. Holiday Inn South along with the band provided the atmosphere for the dance.

1. Just think Julie, if I would have gone to play football at Texas A&M, I wouldn't have met you or Pat or any of these great people. 2. I can't believe Tony gave me this dollar and all I had to do is dance with him. 3. Hi! My name is Bruce "I can never get off" Treder and this is my girl friend, Judy. 4. REGIS BRINGS SHAKESPEARE

The Regis College Theater opened its season at the Shoo Fly Saloon in Central City, Colorado. The production was William Shakespeare's "Two Gentlemen of Verona". The cast included 26 Regis students and a three piece rock&roll combo. Fr. Gary Siebert directed as well as choreographed this successful production.

Gary Seibert, as usual, did a splendid job in the directing of the play. "Summer and Smoke" was performed for two weeks in the Regis theatre.

ENTERTAINED AND STUDENTS

The CONGRESSWOMEN was an old Greek play written by Aristophanes. Fr. Gary Siebert rewrote the play to make it relevant to Denver's modern day problems. Such as air pollution, RTD, the airport and the traffic problems were the topics under fire. Another unique aspect of the play was that it took place in an amphitheater in downtown Denver. This theater had not been used in 17 years until Siebert took over. Even though the actors had to battle a weekend of snow, the play was a total success.

1. The womens chorus comes alive. 2. The Congresswomen speak out their rights. 3. I am Apollo! 4. John OAluchin preforms in the mens chorus.

MAGGIE SMITH CROWNED

Coronation was once again sponsored by the brothers of Alpha Kappa Psi. This annual event was held at the Cosmopolitan Hotel. Many organizations on campus sponsored candidates in the hope that theirs would be crowned queen of the Ball. AKY's candidate, Maggie Smith won as predicted. With the mixture of dinner, drinks and dancing, a memorable evening was had by all.

1. God, it was great being engaged to this beautiful girl. It was just a damn shame I had to wake up. 2. Boy, is she good looking! Oh, yes, AKY would like to — 3. Ellen quit spacing out! They're taking our picture.

S P O R T S

NEW COACH, NEW TALENT

Top—left to right: Coach Marcello Curi, Jim Heber, Robert Malek, Tino Barletta, Kevin O'Laughlin, Quinn Arellano, Dickie Walsh, John Sankey, Pat Hardin and coach Boh Rohrbach. Bottom: Matthew Ruhl, Joey Gomes, Ace Wanger, Jeff Wayane, Jim Riley and Jerry Rouse.

It has become almost trite to declare an athletic season as a "building year", but anyone familiar with Regis soccer would be very comfortable with that worn out expression. This year we have found a coach in Marcello "Cello" Curi. He has rekindled hopes in the otherwise exasperated lot of Regis "futebol"ers. We have unearthed the likes of Tino Barletta whom to call "Mega leg" would be an understatement and Joey Gomes whose awesome mid-fielding earned him an Honorable mention in the RMAC. Returning also is Chris McGrath, a veritable scoring machine and Ace Wagner who is known for his perception. With the aforementioned, the budding freshmen, and the new recruits, the monotonous defeats, the proliferation of red & yellow cards and sub .500 seasons are a thing of the past. The world's greatest game, soccer, will be well represented in the West by the hastily maturing Regis Soccer Team.

BRINGS NEW PROSPECTS

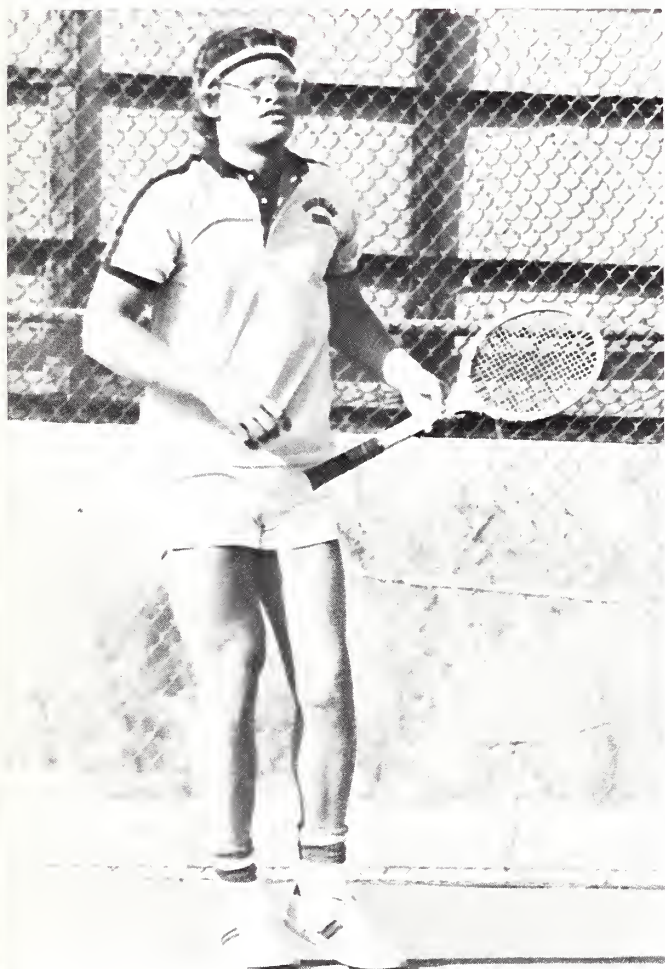

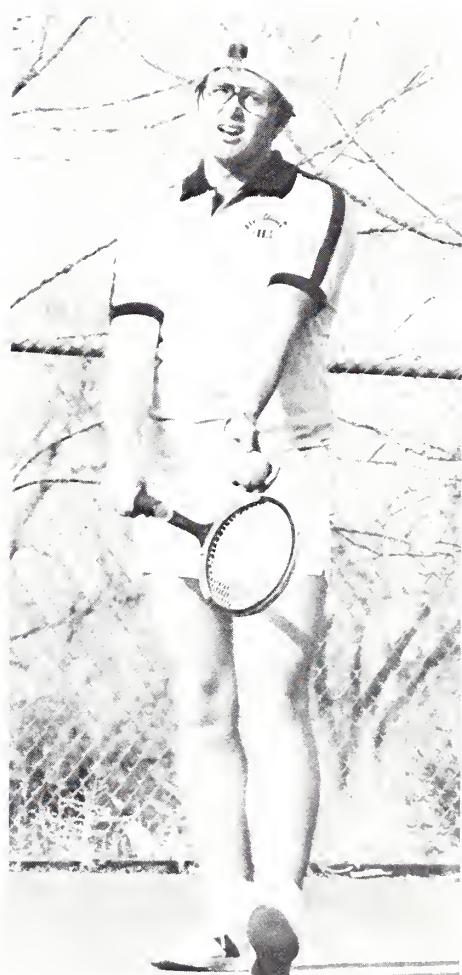

Opposite page: 1. Ace Wanger races the ball downfield. 2. Living proof that Chris McGrath does use his head for something. This Page: 1. Out of my way guys, this one's going in. 2. He unleashes a blast from midfield. 3. Matt Ruhl finds a open man at the mouth of the goal. 4. Pat Hardin looks for some advice from the coach at the sidelines.

MEN'S TENNIS

Men's Tennis this year didn't exactly turn out as well as been expected. They had many good players, yet the defeats dominated over the victories. They put in several practices under the coaching of Kenny Landy. The team is looking forward to next year.

(Opposite page) 1. Smooth stroking by Don Jones. 2. Sock-o on his toes, waits for the serve. 3. Kenny grits his teeth after returning a tough serve. (this page) 1. JK squints to see if his serve made an ace. 2. Salem Bourreza volleys with his opponent. 3. Determination gets George McMullen those winning scores. 4. Don Jones goes up for his serve.

Although Regis is a very small community you can still find new faces and people who you find are still quite unfamiliar. You can see smiling Regis faces anywhere. Whether its at the Belial Bar, on the Ski Slopes or strolling through Larimer Square, and without a doubt you can expect a warm greeting. What brings people to Regis College even after they graduate. It's the People!!

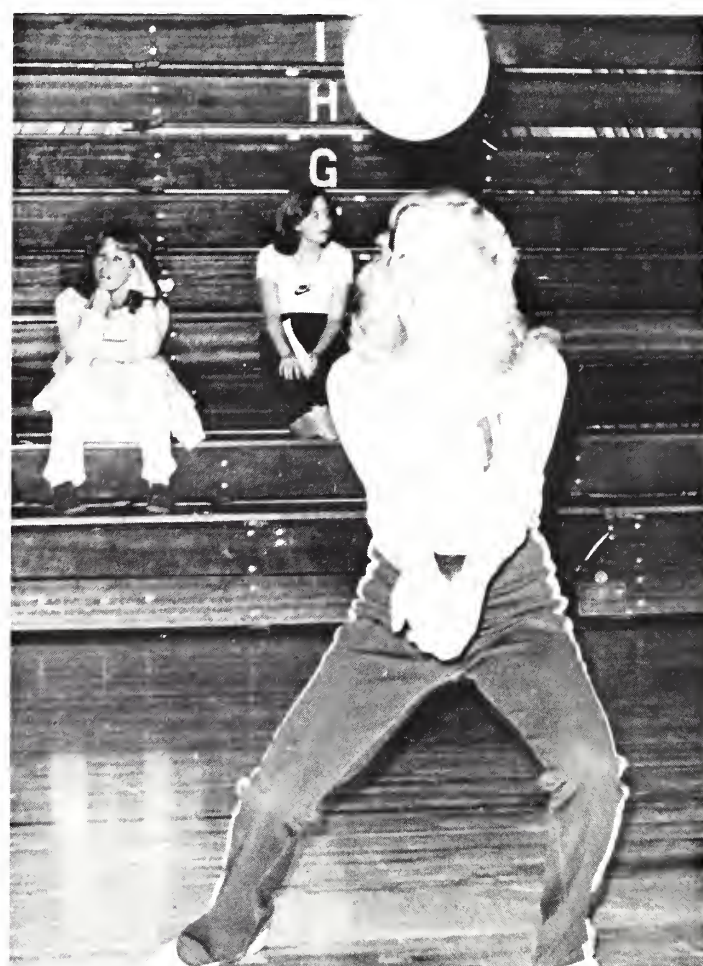

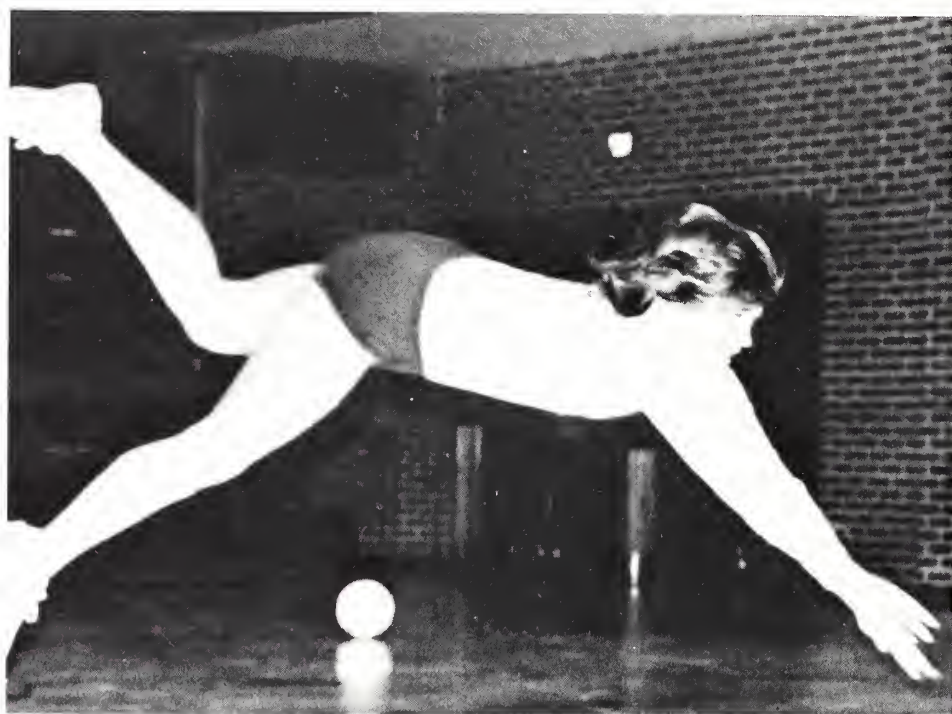

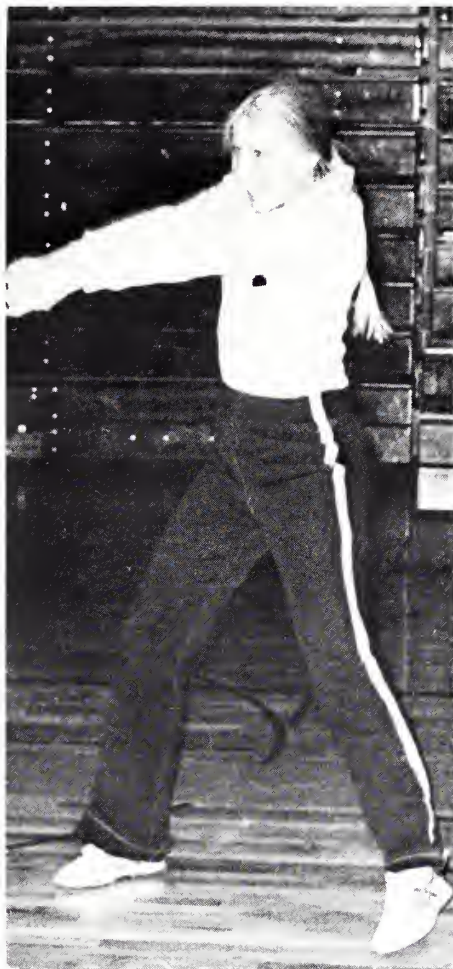

GIRLS VOLLEYBALL TEAM "SETS."

The Regis Women's Volleyball team closed out their season at the Regional Tournament in Cedar City, Utah. The Rangers in their second year of intercollegiate competition, captured the Eastern division of the Rocky Mountain Athletic Conference. FLAG FOOTBALL; A YEAR

The Men's I.M. football season was very exciting to say the least. Both leagues were well balanced with many unusual and sometimes outrageous plays. ATHLETIC LEADERS

THE WOMEN'S BASKETBALL TEAM

This was the second year that Regis Women had an Inter-collegiate Basketball Team. Things looked good for the girls in the start of their season, but ended up in despair. They had a strong starting lineup with promising back-ups. In a fight to do well the team had problems, which caused them to lose players and forced the team to a downfall. ORGANIZATIONS

STUDENT EXEC BOARD LEADS

The 1978-79 Student Senate worked together from the start to finish. It began when their ticket, The Lift, took a clean sweep in last year's senate elections. This year's officers included President—Pat Walter, Vice-President—Ace Wagner, Social Director—Tony DiCiccio, Treasurer—Tim Ward, Secretary—Sharon McCarthy, College Relations—Ron Wedepohl, Community Relations—Shannon Harder. It was a tough ticket to compete against as well as being difficult finding people to fill these shoes. Regis, the students and the faculty owe a great deal to these people for the success of this year.

HIKERS TRAVEL

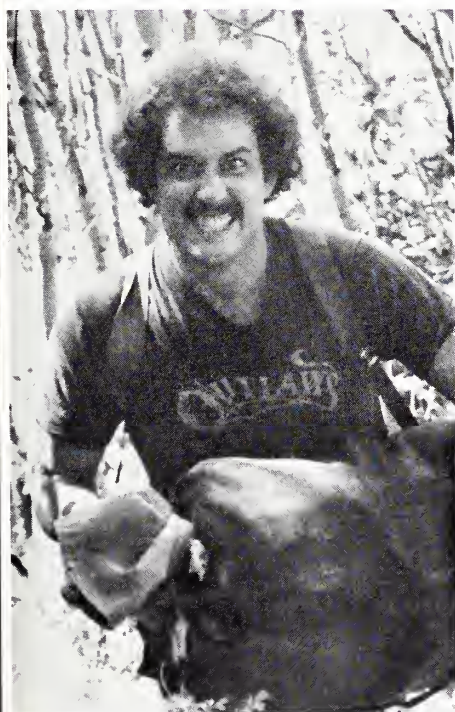

Once again Outdoor Life, led by Ann Abernethy, provided an opportunity for Regis students to get out of the city and into the Colorado Rockies. Mt. Elbert and Vail supplied perfect camping sites, while St. Mary's Glacier was the scene for outrageous tubing. The big event for the Club was 6 days of fun and backpacking at the Grand Canyon. Mainly off-setted by the popular movie “Animal House,” Regis College entertained a few of their own off-campus as well as on campus Toga parties. The common attire was bed sheets of many different shapes and sizes. These wild outfits all combined to make for very interesting and unusual parties.

Many a night, the student found refuge on top of the tables instead of sitting in the chairs. Students enjoyed live entertainment for the first time in the 11 years of the bar. The Brown & Gold became the most widely read student newspaper on the Regis Campus, although it happened to be the only one. Editor, Steve Rasmussen (Raz the Spaz) and his faithful staff proved, time and time again, that irresponsible journalism is flourishing at the Ranch.

The newspaper was published on a weekly basis for only the second time in recent history. The most popular section of the paper was the infamous "Melting Pot," where everyone and everything on the campus was used and abused.

A staff of five people wrote, proofed, and layed out the newspaper. The papers increased in page size from the old four-pager, to an eight-page stand and special issues with more pages.

REGIS CAMPUS

Regis College can not claim to have one of the largest campuses but it could be considered one of the best. Where else can you leave for class two minutes ahead of time from anywhere on campus and still be on time. But to add to convenience, you must also consider its beauty, history and people to fulfill its warm campus reputation. Here are a few of those picturesque shot of the Regis campus.

This year's freshman class became known for their sense of unity by organizing parties, camping trips, competing in intramurals and just living and eating together. The officers Ron Lemar, Eva Marie Fahey, Sheryl Wade, and Henry Duggan, helped organize plant sales and nights in the bar along with the usual functions. We would like to thank the freshman class for their enthusiasm which helped make the year's events memorable.

SOPH HANG IN ANOTHER YEAR

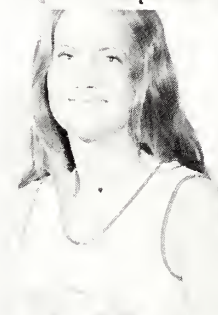

The Sophomore Class is of a special breed. When an organization or someone is in need, think of who comes to the rescue. There are a large number of sophomores that come to mind that fill this discription. They certainly do not act like underclassmen by all means. A great deal of thanks goes out to this year's sophomore class for their support towards a better Regis community. This class was lead by: President—Charle Cindric, Vice-President—Jim Walden, Secretary—Ellen Bundrick and Treasurer—Paul Smith.

JUNIORS—3 DOWN 1 TO GO

The Class of 1980 can be found helping in almost every facet of the Regis College Community. Take a look! They can be found playing a major role among residential assistants, intramurals, and varsity sports, college publications and the future exec. board. Throughout the year, the class organized Casino Night, Bingo Night and dances including the Junior-Senior Prom. The number in the class of 1980 has diminished since freshmen year and they have used this to their advantage by enjoying plenty of good times in getting to know one another!

Dear Readers,

Ah, memories! Unfortunately all the good times past do not last forever and must be cherished simply with a memory. The college days that you work towards when you are young vanish as you are lead off onward to more distant goals. Where does it all end?

Another year is gone and the ups and downs of school are still fairly fresh in our minds. The list of good times seems endless for such a short time. Who can forget the holiday parties at Halloween, Christmas and St. Patrick's Day? How many times can you remember relaxing under the sun in the grass of the Quad? And, how about that fantastic ski season? Along with all the joys, we remember the sadness of deadlines, the meals at Saga and last call at the Belial Bar. It is amazing the number of memories we have encountered in such a short period, and since we live in a culture where it is said that memory is one of the first things to go, the value of our efforts should increase through the years. So, we have tried to capture the highlights of the year both at and around the Regis community for your pleasure now, and in future years.

This letter would not be complete without offering our sincerest thanks to those who helped us along. Those people who shared with us a bundle of laughs, a bucket of tears and the feeling of pride and accomplishment. To these people go our special thanks, they know who they are. Special personal thanks goes to "The Family" who helped Mark keep his sanity. With the arrival of the long awaited completion date, it is our turn to sit back and relax, and enjoy the memories of Regis College 1978-79.
